

Boutique-style appraisals. Nationwide scale.

Got Appraisals delivers boutique-style appraisals on a national scale, with industry-leading turn times, unparalleled responsiveness, a relentless focus on customer satisfaction, and the local market experience you need.

More local expertise.

Got Appraisal's appraiser panel is FHA Certified and on average is located within 5 miles of the subject property.

Faster turn times.

Your appraisals are delivered with industry-leading turn-times -- usually 4-5 days. We consistently meet or beat the fastest times in the marketplace .

The VIP treatment you won't find elsewhere.

We pick up. With a 99%+ live-answer rate on inbound calls, USPAP-certified staff reviewing each file, and an experienced team keeping it all moving, you'll feel like your deal is the most important deal of our day. Because it is.

Committed to your satisfaction.

Problems with appraisals at Got Appraisals are rare. But if they occur, we deal with them quickly and fairly. We understand the urgency, and make resolving your issue a priority.

Certified Elite Service™ is an industry exclusive. It's a 20-point checklist that lets you know you're getting the premier appraisal management solution in the industry.

What our clients think.

"Got Appraisals is truly a boutique appraisal experience -- you feel special, and they are experts in every way, from the amazingly talented and caring in-house team to their very local appraiser panel in every market. They really add value to the process."

- Vicky B.

"Their customer service is the best in the industry."

- Anthony M.

"Got Appraisals has delivered hundreds of appraisals to us, and we believe they are an integral component of our company's success.."

- Michelle K.
